Kikuna® Leaves are decorative leaves with a distinct flavour of carrot or celery.

TASTE

Kikuna® Leaves is the Koppert Cress brand name for an edible leaf. Kikuna® Leaves are decorative leaves with a distinct flavour of carrot or celery.

TASTE FRIENDS

Kikuna® Leaves can be used in salads, with raw fish, and in shellfish dishes. Kikuna® Leaves are also very tasty in tempura batter.

ORIGIN

The plant has been used in Asia for centuries, mainly as a herb to season dishes. Every part of the plant is edible, but the young leaves are preferred. It is a typically Asian plant, with numerous uses as an ingredient and as a garnish.

AVAILABILITY

Kikuna® Leaves are available year round and can easily be stored for up to nine days at a temperature of 2-7°C. Produced in a socially responsible culture, Kikuna® Leaves meet the hygienic kitchen standards. The products only need rinsing, since they are grown clean and hygienically.
