A vibrant, colourful blend of chopped cress with a distinctly tangy, fresh and sour flavour profile. An explosion of flavour and colour, ready to use straight away.

TASTE, COMPLEXITY, SIMPLIFIED.

New York Neon comprises Motti Cress, Bicolor Mustard Cress, Vene Cress and Sakura Cress. This colourful mix has a powerful, distinctive flavour profile, ranging from the aromatic notes of celery and lovage to the piquant sharpness of mustard and radish, complemented by a surprisingly fresh, tangy note. An explosion of flavour and colour that instantly adds character and intensity to dishes.

Blends of the World is Koppert Cress's new ready-to-use concept, developed for professional kitchens seeking to enhance flavour. Each blend is expertly crafted by our culinary experts and combines selected chopped cresses into a single, consistent, ready-to-use solution. Take New York Neon: a powerful, colourful blend that adds a distinct flavour boost and a vibrant splash of colour to a wide variety of dishes.

TASTE FRIENDS, NO PREP, JUST SERVE

This powerful blend brings the vibrant energy and distinctive flavours of New York to your plate and is ideal for chefs who want to add more flavour, colour and character to every dish, with the convenience of pre-cut cress. No chopping, no guesswork. Just pure, concentrated flavour that goes straight from the packet onto the plate in seconds. No prep, just serve.

New York Neon pairs perfectly with grilled meat, barbecue dishes, grilled vegetables, burgers, hot dogs and street food. The blend also comes into its own in Mexican and South American cuisine, for example with tacos and other spicy dishes. Furthermore, the combination of spicy and fresh notes makes for a surprising addition to plant-based creations and fish cooked on the kamado. It can be used as a colourful garnish, incorporated into salads, or as a powerful finishing touch in both hot and cold dishes. A new ready-to-use concept, inspired by flavours from around the world. Developed for chefs who need speed, consistency and impact. Expertly cut using advanced techniques that preserve 100% of the flavour, freshness and visual quality.

New York Neon is produced in accordance with socially responsible principles, meets hygiene standards for professional kitchens and is grown in a clean and hygienic manner. Ready to use straight from the packet, because chefs have enough on their minds as it is.

ALLERGENS

Mustard is a well-known allergen. Bicolor Mustard Cress is not actually mustard, but it does contain the substance that causes a mustard allergy.
